

### **Sponsor Institution Benefits:**

**Funds received through the Sponsorship Program** will be used to support JCPA/ICPA-Forum related activities as well as to contribute toward annual workshops in the area of comparative policy studies, guest lectures, awards for best papers and best student articles, sponsorship of comparative panels at conferences, comparative research initiation, as well as other initiatives suggested by members and approved by the Advisory Board.

**Benefits to sponsoring institutions:** visibility (name and logo) on International Institutional Sponsors' Page on a front page of each issue of the Journal, List of Sponsors on the JCPA/ICPA-Forum and JCPA's Routledge webpages; free advertising space in JCPA's 4 issues per year (conferences, new programs, employment opportunities etc.). Members of sponsoring institutions are eligible for ICPA-Forum membership and associated discounts on JCPA individual subscriptions and Routledge/Taylor & Francis Group books and journals. Routledge will consider favourable terms to partner institutions on institutional library subscriptions to the JCPA, subject to the institution's current subscriptions and circumstances with Routledge. (For benefits approach [richard.delahunty@tandf.co.uk](mailto:richard.delahunty@tandf.co.uk)).

Below, please view a sample sponsor advertisement appearing in the JCPA, and an example of the sponsor logo pages that are published at the front of every JCPA issue.

# Robert M. La Follette School of Public Affairs

## **Master of Public Affairs**

- ◆ Two-year degree prepares students for careers in public policy and administration with the public, private, and nonprofit sectors.
- ◆ Award-winning faculty teach courses in public management and policy analysis.
- ◆ Students intern with state and federal agencies around the nation.

## **Master of International Public Affairs**

- ◆ Two-year program includes courses in trade, finance, development, business, governance.
- ◆ Through resources of a world-class university, students can focus studies on a geographic region, including Europe, Latin America, Southeast Asia, Middle East, or Central Asia.
